

TRUE DELIVERANCE

- Isaiah 43:8-44:5
- God has witnesses (43:8-13)
 - There is only one God
 - Do you believe in Him – if so, you are His witness
- God chooses how He will act (43:14-21)
 - He reminds us of what He has done
 - Do you only look to the past, or are you expecting something new or different?
- God calls His witnesses to account (43:22-28)
 - No one is innocent
 - Do we understand that obedience comes before sacrifice – He cannot be manipulated
- God graciously sends His Spirit (44:1-5)
 - He wants us to respond to His choosing of us
 - Do you want to see others become a witness for God?
- Do you want to try harder or do you want to be delivered – His Spirit has that power
