

# SPEAKING THE TRUTH

- The Word of Christ is Essential (Col. 3:16)
  - There are tools God uses to help us grow – being thankful underlies them
  - Are we providing situations in which we can teach and admonish?
- Maturity is Expected to be Shared (Rom. 15:14)
  - Knowledge of our faith is critical – for us and others
  - Are we sharing that knowledge, putting it in the mind of each other?
  
- To be truly engaged with brothers and sisters in Christ is to take risks. We need to be genuinely interested in how each of us is living out our faith.
